

“Words” Monday: Quiz 8.

*Today’s Quiz on words will (hopefully) have you thinking Double as the answers all contain a double vowel i.e. aa ee ii oo uu somewhere in them. For example “a long thin bony fish” would be “eel”, or “Champions League Winners in 2019” would be **Liverpool**. As usual most are straightforward with the occasional devious one to mislead you!*

I hope you enjoy them – answers on Wednesday.
